

Three Cranes Grove – Business Meeting Minutes

July 5, 2007

Present: Maggie, Shawn, Mike, Leesa

1. Update on pagannation.com situation.
2. Prayer to Mercury
3. Comfest – YAY!!! Much thumbs up and nodding of heads.

Donations at last rite and Comfest came to \$236.87. We spent \$192, if you include booth rental and stuff not yet paid for, we probably came out \$45 in the hole. Shawn offered to pay for his volunteer time to cover it. Mike thinks we are okay for volunteer hours.

Volunteer time at Comfest will also count for grove community service requirement.

Both rituals (especially second one) went really well. Much good response. Two sets of omens, but Willow both times.

Brett (thru Mariel) said that we should do MORE things together. Mariel is supportive of weekly grove rites, even if some of them are private. Moon rituals were brought up, there are some on the ADF site that are in need of reworking.

So, we shall try this at Shawn's on 8/18/2007 on the Sixth Night of the moon. potluck then ritual when the sun goes down. Shawn will double check with Nan ☺ Get together, eat at 7, ritual around 9pm.

We watched the DVD of the rite.

4. "What is" ADF meeting at Psyche's was not that great. Only 2 people showed up. Better job of promoting it.

Meghan's dues: Suggest we go ahead and do her ADF dues (She contributed \$10 to Comfest) Suggest we do the same for Anna-Banana if she should fall behind.

Shawn gave \$45 for Comfest and \$60 dues.

Mariel will use paypal to send in \$60 for dues and \$35 for one of the cranes next week.

10. Community service. Waiting for cemeteries to call Mariel back. Cranes are still yet to be adopted.
